YOU'LL NEVER UNDERSTAND THE GIRL

Episode begins with Billy being extra cheery at work, Tony asks him what his problem is, he explains it is Valentine's Day and he has a special date planned for his girlfriend. Slouch and Tony start laughing, they disbelieve Billy's claims of being in a relationship. They ask to see a photo, he take out his wallet gazes lovingly at a small passport photo

he has of him and Sea Cucumber Girl, he goes to show them and then realises he can't reveal Bungusland to them and says no. They laugh harder at him. He grabs his coat and goes to leave and they shout after him to enjoy his date with his imaginary girlfriend.

Billy gets back to Bungus tower and starts getting spruced up wearing a tuxedo. He grabs a picnic basket and heads into the shower, Aunt Betty sees him going in and shouts 'Most people don't get dressed up to go IN the shower, you weirdo!'.

Billy arrives in Bungusland. Sea Cucumber Girl is waiting for him, she has done her hair up nicely. Billy escorts her out on a date. We cut to Crazy Professor and Bionic Crab in a field testing a new contraption which is a controller that they can put on any living thing and control how they move, taking over their mind. Crazy Prof tries it on the Bionic Crab but it ends up going wrong. He takes the little controller micro-chip off of the Bionic Crab. A mysterious boy with two necks (Neck Boy) wanders up and asks if they can help him, they tell him to go away as they are very busy. He persists, saying that he is looking for his ex-girlfriend. He shows them a photo of Sea Cucumber Girl. The evil pair look at each other with delight...they see a chance to cause some mischief. Crazy Prof hands him the micro-chip (which he has disguised on a hair pin) and tells Neck Boy he can give it to her as a gift and then points him the way to find her.

We cut to Billy and Sea Cucumber Girl sharing a romantic picnic, they are just getting close when Neck Boy shows up. Sea Cucumber Girl is shocked; Billy asks who this guy is. Neck Boy declares his love for Sea Cucumber Girl. Billy looks on...earnestly, will she pick this new guy? She sticks with Billy. Neck Boy says he is a lucky guy and gives her the hair pin as a parting gift. As Neck Boy starts walking away dejected Crazy Prof and Bionic Crab appear behind a bush and start controlling Sea Cucumber Girl. Billy goes in for a kiss with his beloved when she suddenly goes zombie eyed and starts crawling after Neck Boy...and jumps into his arms. The pair walk off. Billy calls after her...and then starts bawling his eyes out.

We cut to Billy, later on that day. He is crying his eyes out as Prawn Paul, Gastronom and Emily Epiglottis try and comfort him. They

tell him to cheer up, but he is inconsolable. They suggest he goes for a walk to clear his head. He does but everything he sees reminds him of Sea Cucumber Girl no matter how ridiculous.

The gang discover Billy later that day (he has become dishevelled and is now sporting a beard, and looking very tramp like). They try and get him to pull his act together...suddenly Neck Boy appears carrying Sea Cucumber Girl. He is trying to be friendly and announces he and Sea Cucumber Girls wedding that afternoon. Billy starts whimpering. Neck Boy offers a handshake and says no hard feelings ? They shake hands but Billy is staring into the void. As soon as Neck Boy and Sea Cucumber Girl leave he bursts out crying again. Emily Epiglottis notices a rather shifty looking Crazy Prof and Bionic Crab as they sneak away laughing. She decides to follow.

We see Neck Boy and Sea Cucumber Girl doing wedding preparations in a town hall. Sea Cucumber Girl is limp which is concerning Neck Boy. We cut to Crazy Prof and Bionic Crab sharing a sandwich outside a window to the town hall. Emily looms over them and asks what they are up to. They say nothing, she sees the controller and snatches it asking what it is. As she does we see Sea Cucumber Girl jump to life and fly in the same direction. Emily understands what is happening and she fights with the Crazy Prof and Bionic Crab as they try to wrestle the controller from her. The whole time Sea Cucumber Girl is careering about while Neck Boy panics. They eventually gain control and seize Emily tying her up in balloons for the wedding and letting her float off. They shout 'That will keep you out of the way until the wedding'.

We cut to the wedding, which is already in full flow. Various Bunguslanders are in attendance, though rather awkwardly. We see that Crazy Prof and Bionic Crab are disguised as usherettes. The person leading the wedding asks if... 'anyone here knows of any speaking impediment that would stop these two from being married?'. Billy bursts through the door and tries to woo Sea Cucumber Girl back by singing '**Never Understand The Girl**'(during which we cut to Emily shouting for help as she floats off into the distance). It seems Sea Cucumber Girl is moved but when Billy asks if she will come back to him the Crazy Prof makes her shake her head no. Billy starts to walk

away blubbering. Suddenly Emily yells ‘SSSTTTTOOOPPPPP!!!’. Everyone turns and sees the Lobsquitch holding Emily on a string still floating from all the balloons. She shouts that the Crazy Prof is controlling her. Crazy Prof (still dressed as an usherette) pulls out a pea shooter and bursts her balloons. Emily falls and lands with a splat on the cake... sliding to Neck Boys feet at the front of the room. She shouts to stop those Usherettes. Lobsquitch grabs the evil pair and pulls off their disguises. Everyone gasps. Emily explains they have been controlling her with the hairpin and pulls it off Sea Cucumber Girl. Her eyes go back to normal and she seems shocked and confused. She leaps into Billy’s arms. Everyone cheers. Neck Boy shakes Billy’s hands and says no hard feelings. He starts to walk away when Gwretchin climbs from Emily’s throat and asks if he’s okay. Neck Boy turns slowly and, upon seeing Gwretchin, falls instantly in love...they walk off together. Billy and Sea Cucumber Girl hug...everyone cheers.

We cut to Billy at work at Pastrami Wasabi’s. He is all loved up. Tony and Slouch approach to roast him. They ask for him to describe his girlfriend. He sighs; ‘She has brown hair, beautiful eyes...and wonderful knobbly green skin’.

They look at each other shocked but Billy just emits a contented sigh.
