By Simon Knowles

### TITLE SEQUENCE

30 Sec, Introduces the premise of the show.

### SCENE 1

INT: Pastrami Wasabi's; 3 young chefs (one of them is **BILLY**) are looking nervous as they prepare cucumbers at their workstations. Tony Dourbain is walking behind them like an army drill sergeant looking over their shoulders, a sneer on his lips, he is lecturing the young chefs in his thick Bronx accent as he walks:

#### TONY DOURBAIN

...now a lot of you trainee chefs will come to me with your problems, your relationship problems, your pet cat problems...well I don't want to hear them and I don't care if your cat is sick, now, cut that cucumber...

C/U Billy, tongue sticking out of his mouth in concentration. He is sweating slightly, all the other students are holding a cucumber with a big knife yet Billy is holding a cucumber and a whisk while mouthing to himself.

#### BILLY

Don't screw up...don't screw up...don't screw up...

Suddenly Tony Dourbain appears over his shoulder:

#### TONY DOURBAIN

Billy!

Billy Jumps and accidentally slicing the cucumber ornately with the whisk...

#### TONY DOURBAIN

...In my office...NOW!

INT: Pastrami Wasabi's; *A busy office in the back of the Italian Sushi bar. Billy is sat on a rickety chair in front of his Boss's desk. There are two chairs and Tony Dourbain is addressing both but at this point we cannot see who is occupying the second chair:*

**TONY DOURBAIN**

Well it was a close run thing ....but unfortunately I had to make a decision...and I have gone with the one who I feel is most dedicated to cleanliness and hygiene....the new head dishwasher at Pastrami Wasabi's is...

**BILLY**

[Looks hopeful, fingers crossed, talking to some higher power] please, please, please....!

**TONY DOURBAIN**

...Slouch

CAMERA OPENS OUT TO SHOW SLOUCH, A BIG ANGRY LOOKING HULK OF A MAN WITH A FAR AWAY STARE AND A FINGER RUMMAGING DEEP IN HIS NOSE, HE IS SAT ON THE CHAIR NEXT TO BILLY; BILLY LOOKS DEJECTED.

**BILLY**

Well I appreciate your consideration sir [with a sigh] ....congratulations Slouch.

BILLY OFFERS A HAND SHAKE TO SLOUCH HAND WHO PULLS HIS HAND OUT OF HIS NOSE AND SHAKES BILLYS HAND WITH HIS FINGER. BILLY OPENS HIS HAND IT IS COVERED IN SNOT WITH A PIECE OF LEGO IN IT>

**TONY DOURBAIN**

Hey Billy, don't look so down, there'll be other opportunities....I'll need a new guy to clean out the grease trap soon (whispers conspiratorially) Diego's getting a little sloppy.

THEY LOOK OVER AT DIEGO WHO IS ASLEEP WITH HIS HEAD AND SHOULDERS IMMERSED IN A BIG VAT OF DISGUSTING LOOKING GREASE. LITTLE BUBBLES SUGGEST HE IS BREATHING (JUST ABOUT)

**BILLY**

Uh-huh

**TONY DOURBAIN**

Here I'll let you have this prototype tuna and pepperoni egg roll as a consolation prize...

BILLY TAKES THE EGG ROLL, REGARDS IT WITH A 'YUCK' GRABS HIS JACKET AND STARTS TO LEAVE. AS HE'S LEAVING HIS TONY DOURBAIN SHOUTS AFTER HIM:

**TONY DOURBAIN**

See you tomorrow at 6 Billy...hey don't be late...you've got to impress your new boss...

**BILLY LOOKS AT SLOUCH (NOW WEARING BRIGHT YELLOW RUBBER GLOVES) WHO PUNCHES HIS FIST INTO HIS PALM IN THREATENING MANNER.**

## **SCENE 2**

EXT: Outside Pastrami Wasabi's; *Billy is leaving work. He has his egg roll in his hand, he is just about to eat it when a cat, Mr Whiskerson, jumps into shot and steals it.*

**BILLY**

Darn it....is anything going to go right for me today....?

*Suddenly a crack of thunder is heard and it starts to rain. Suddenly the rain stops and brilliant sunshine bursts from the clouds and shrinks his clothes. BILLY walks away sullenly in his shrunken tight outfit.*

EXT: Apartment block, **BILLY's** house; *BILLY arrives home to find wooden boards across the windows and a note nailed to his front door. BILLY tears the note down and reads it:*

**NOTICE OF EVICTION.**

**BILLY**

[to himself] Ah man, [up at the window] .....hey what about my stuff.....???

**PERSON FROM WINDOW**

It's all by the garbage...

*BILLY looks over and sees a box with 'BILLYS STUFF' written on the side among the trash. MR WHISKERS is coughing up the half-digested tuna and pepperoni egg roll into the box. He rushes over yanking the box from under the cat and sending MR WHISKERS rolling into the road. MR WHISKERS lands and then sits down and starts licking himself.*

*Suddenly an expensive looking car comes speeding along. BILLY sees it and realises it is about to hit the oblivious cat. He jumps into the road lifting the cat out of the way but the car has a golden hood ornament shaped like a high heeled shoe which catches BILLY in the groin. The window rolls down and an officious looking business woman is inside in a suit. She is Stephanie Swindle.*

**STEPH SWINDLE**

...Are you per-chance [ruffles through some documents] Mr William Bungus....?

**BILLY**

[in a pained high pitched voice] yes

**STEPH SWINDLE**

Get in...I have some news regarding your uncle....Edwin Bungus.

BILLY STARTS TO PROTEST BUT IS YANKED INTO THE CAR AS IT SPEEDS OFF;

**BILLY**

But I don't have an uncle Edwhaaaaeerd.....(trails off as he is whisked away)

INT: Limousine; *Billy is looking around amazed. Steph Swindle has a brief case stuffed full of documents.*

**MR SWINDLE**

Hello William, my name is Stephanie Swindle and I am an attorney at Swindle, Sneaky and Snatch. I enquired before about your Uncle, Edwin Bungus ...

**BILLY**

[Scratching his chin thoughtfully] Well you must mean my Uncle Eddy. My Mum told me they once caught him running down the street chasing a monkey in his underpants... apparently he was trying to get them back...

**STEPH SWINDLE**

Yes, the very same. Well I must regretfully inform you that he has passed on and he has left all his worldly possessions to the sole living member of the family Bungus...

**BILLY**

woah...well if I meet any other Bungus' I will be sure to tell them...but good luck...I don't know any... Thanks for the drink...

HE GOES TO LEAVE

**STEPH SWINDLE**

[rolling her eyes impatiently] It's you Billy. You are the sole heir of Edwin Bungus' estate.

**BILLY**

Woah. ME!? But I hardly knew him....well what does this mean....?

**STEPH SWINDLE PULLS OUT A TATTERED SCROLL AND STARTS READING:**

**STEPH SWINDLE**

You are now the proud owner of his miniature Yak sculptures, his large collection of exotic smells....[as these are read out Billy's face looks both disappointed and put off] ...and the deeds to Bungus tower [a smile spreads on Billy's face].

### **SCENE 3**

EXT. BUNGUS TOWERS; *Billy is standing on the curb with his box of stuff and the tattered will of Edwin Bungus. STEPH SWINDLE is talking to him through the window of the limo.*

**STEPH SWINDLE**

...now you have the keys, is there anything else I can do for you...?

**BILLY**

Um.....how about a date?

**STEPH SWINDLE**

Absolutely not, I would never date someone with a collection of smells. Good day! Driver, away please....

*The limo pulls away leaving him alone. He is holding the keys to Bungus Tower, it is an old medieval looking stone tower on a quiet suburban street, every other house is perfectly normal.*

*He opens the door and enters. It looks like no one has lived here for a very long time, it is covered in cob webs and bugs. BILLY calls out:*

**BILLY**

Um...hello.....! is anybody there

*He wanders through marvelling at all the strange artefacts. There is a giant portrait of Edwin Bungus on the wall. He finds a shelf lined room with full of jars. He takes one down, unscrews the lid and a slow squeaky farting sound is emitted, he sniffs the jar, quickly he recoils in revulsion. He reads the label and it says:*

**BOTTOM BURP OF THE MADAGASCAN FRUIT LIZARD**

**BILLY**

Must be Uncle Ed's collection of exotic smells...

*He hears a snoring sound and creeps up the stairs and peers into a room with a door ajar. He looks down the list of possessions on the Will and sees at the bottom 'AUNT BETTY'. In the room he finds a big ornate sheet covering someone sleeping loudly, he lifts the sheet and is confronted with an old lady (AUNT BETTY) asleep in a wheelchair. He clears his throat and instantly she wakes up screaming in shock which makes him scream too.*

*When she stops screaming she snaps:*

**AUNT BETTY**

Who the devil are you and why do you smell like that!??

**BILLY**

Um...I'm Billy Bungus, I just found out I own this place

**AUNT BETTY**

A Bungus hey...? Well clean up around here why don't you...! It's dustier than an Egyptian's sandbox around here.....! Oh and be a dear and empty my bed pan.....(SHE HANDS HIM HER BEDPAN)

**BILLY** looks disgusted.

WE SEE A QUICK SERIES OF CLIPS DEPICTING BILLY CLEANING UP THE HOUSE WITH AUNT BETTY PARKED IN THE BACKGROUND;

*Billy is emptying the jars of smells with a peg on his nose.*

*He is cleaning the kitchen he pulls something out of the plug hole which is very long, hairy and disgusting....turns out to be a rats tail which is chewing on a mouldy fish carcass.*

*He is pulling all sorts of debris out of the garden (old boots, tin can).*

*BILLY is in a maids apron. He hoovers Aunt Betty as she sleeps accidentally sucking her loose skin into the nozzle.*

THE MONTAGE ENDS AND BILLY IS STOOD NEXT TO AUNT BETTY WITH HIS ARMS FOLDED ADMIRING HIS WORK...SURVEYING HIS HARD WORK;

**BILLY**

Home sweet home.

*Camera pulls back and reveals that only one small area is clean and the rest is as dirty as he started.*

#### **SCENE 4**

INT. Bathroom, Bungus Tower. *Billy is in a shower cap with a towel wrapped around his waist. He is about to step in the bath when AUNT BETTY calls out from the other room:*

**AUNT BETTY**

Billy!! Make me a peppermint tea!

**BILLY**

In a minute Aunt Betty, I am just taking a quick shower...

*He turns on the shower...it is a really lousy trickle. He starts trying to lather himself and whistles as he scrubs his back with a sponge on a stick...He looks down and notices a weird neon green glow emanating from the plug hole suddenly he is sucked down in a huge flash;*

*Billy travels down the labyrinth of pipes in a psychedelic water slide. He is shouting and yelling as he goes...tumbling and spinning.*

**BILLY**

WWWHHHAaaaaaEEEEERRRRDDDD!!!

INT. Mayor's Office, Bungusland.

*All the major characters of Bungusland are assembled in the room all looking concerned. The **Crazy Professor** is stood behind the desk. He is in the middle of addressing the huddled mass.*

**CRAZY PROF.**

...and there's nothing anyone can do to stop me!....OOOFFFF

*Billy slides out of the drain right above **Crazy Prof.**'s head squashing him. All the other characters gasp. **Billy** and **Crazy Prof.** gets up and dust themselves off.*

**BILLY**

Oops...sorry

**CRAZY PROF.**

[rubbing his head] Who the devil are you....? [frustrated]

**BILLY**

I'm William Bungus, but you can call me Billy.

**BILLY OFFERS A HANDSHAKE BUT CRAZY PROF' BATS HIS HAND AWAY. PRAWN PAUL JUMPS ONTO THE DESK EXCITEDLY;**

**PRAWN PAUL**

Did you say Billy Bungus? [**Billy** nods] Marcel...read back the transcript...

**MARCEL**

[a French man sat at a typewriter in the corner, clears his throat] Crazy Professor....ahahahah....'...In absence of a town's mayor, I must assume leadership of Bungus land...unless that is, and I highly doubt it, a member of the Bungus family 'appens to slide out of that drain. And there's nothing anyone can do to stop me oooof' Billy 'Oops sorry about that...' Crazy Prof....

(HE KEEPS READING THE DIALOUGE THAT HAS JUST OCCURRED)

**PRAWN PAUL**

[interrupting him] We have found ourselves a Bungus!

**EVERYONE CHEERS. BILLY LOOKS AROUND CONFUSED BUT EXCITED TO BE THE CENTRE OF ATTENTION. CRAZY PROF. PULLS OUT A SCROLL AND SHUSHES EVERYONE;**

**CRAZY PROF.**

...NOT SO FAST!!! It states here that '...only a member of the Bungus family can assume the Mayoral position of Bungusland by placing the livery collar around their neck...

**HE GESTURES TO AN UNTIL NOW UN-NOTICED HUMUNGOUS MAYORS CHAIN HUNG ON THE WALL WITH A TIMER IN THE MIDDLE OF THE CREST**

...within 24 hours or else the role must go to a member of the Society of Crazy Professors and Evil semi-aquatic Medical staff'....that would be me!' very specific, I know, but that's bureaucracy for you.

**EMILY EPIGLOTTIS**

No problem...you'll do it...won't you Billy....??

**GWRETCHIN**

(SQUEEZING OUT EMILY' MOUTH) Yeah, Billy.....you'll be our Mayor.....?

**BILLY**

[backing off slightly...hesitant] w-w-wait a minute, who are you...? Where is this place...?  
How do I get home....?

**CRAZY PROF.**

You now have... (SPINS THE TIMER ON THE MAYORS CHAIN)...24 hours. Good luck convincing this loser...let's go Crab. [he whistles].....

***BIONIC CRAB** hurries over like a loyal lap dog. He jumps on his back and it starts hovering with a jet pack and flies through the window...unfortunately too high and the **Professor** is knocked off by the window frame. He gets up, dusts himself down, curses the Crab and jumps out the window. We hear a splat. **Billy** and some other characters peer out the window and see him in a slimy drum of ooze, he gets out and the crab flies back and picks him up.*

*The characters in the office all gather around **Billy**, He looks shocked as he sinks into the Mayors chair behind a big desk.*

**BILLY**

Did you guys know my uncle....Edwin Bungus....?

**PRAWN PAUL**

Of course, he was our mayor for years and then he stopped coming...and things started falling apart, but now we have you...you are the only one who can stop that stinky Professor taking over Bungusland and turning it into a whole bunch of factories and chemical waste dumps...

**BILLY**

Me...??...and who are you ?

**PRAWN PAUL**

My names Prawn Paul, I'm an MC...and um...a Prawn!

**EMILY EPIGLOTTIS**

And I'm Emily

**BILLY**

...um, hi

Suddenly **Emily** wretches and **Gwretchin**, her talking epiglottis pops out covered in dribble. Although she looks horrible and speaks in a croaky voice she is very sweet;

**GWRETCHIN**

And I'm Gwretchin, I live in Emily's throat, a pleasure to make your acquaintance...

**BILLY**

And hello to you ma'am

He delicately takes her hand as though bowing to a Queen.

**PRAWN PAUL**

[to the huddled mass]...everyone back up, give Billy some room...[to BILLY] do you want us to show you around....?

**BILLY**

Sure.

## **SCENE 5**

EXT. BUNGUSLAND, STREET; **Billy, Emily Epiglottis and Prawn Paul** walk down the street, **Billy** is gawping as all sorts of unusual characters wander past....

**EMILY EPIGLOTTIS**

Welcome to Bungusland! It will take a little while to get adjusted but you'll get the hang of it....

**PRAWN PAUL**

oh...watch your step...

**BILLY LOOKS DOWN AND REALISES HE NEARLY STEPPED ON WHAT FIRST APPEARS TO BE A PIECE OF DOG POO BUT IT SUDDENLY HAS A FACE AND SHORT LEGS:**

**BILLY**

Woops, excuse me...

**DOG POO CREATURE**

Watch where you're stepping!

*The Dog Poo Creature walks away grumbling.*

**BILLY**

So what exactly is this place....? I mean...what would be my job....? How long was my Uncle coming here.....??? what is going on.....?!?!!!

**EMILY EPIGLOTTIS**

Woah woah, slow down Billy...

**PRAWN PAUL**

I am sure you've got many questions....this place is Bungusland....you would be the mayor and would help run things around here....

**BILLY**

[smiling to himself] Mayor hey....? Imagine that.

THEY HAVE WANDERED INTO A MORE SCENIC AREA AND THEY ARE SURROUNDED BY TREES. SUDDENLY THE GROUND BEGINS TO SHAKE;

**EMILY EPIGLOTTIS**

...woah LOBSQUITCH!

**THE LOBSQUITCH** WALKS OVER THE TOP OF THEM BARELY MISSING THEM WITH HIS GIGANTIC TENTACLES; SUDDENLY A TENTACLE WRAPS AROUND BILLY AND LIFTS HIM UP BRINGING HIM EYE LEVEL WITH **THE LOBSQUITCH**. HE IS FRIGHTENED (DESPITE A FRIENDLY EXPRESSION ON **THE LOBSQUITCH**' FACE). **BILLY** CALLS DOWN TO **PRAWN PAUL** AND **EMILY**.

**BILLY**

w-w-what IS IT!!!!???

**PRAWN PAUL**

This is The Lobsquitch. It is friendly but you just have to watch out as it's so big it sometimes doesn't notice you...you could get squished! Say hello Billy.

**BILLY**

(tentatively) um...hello (he offers a nervous hand shake)

**THE LOBSQUITCH** LETS OUT A MASSIVE (BUT FRIENDLY) SQUAURK SPLATTERING BILLY WITH SPIT, THEN HE OFFERS A FRIENDLY SMILE AND A TENTACLE TIP WHICH BILLY SHAKES.

SUDDENLY **THE BAGEL ROVER** FLIES OVER HEAD. **GASTRONAUT** STICKS HIS HEAD OUT OF THE WINDOW AND SHOUTS;

**GASTRONAUT**

HEY! Guys! You need a lift....?

**PRAWN PAUL**

Gastronaut! This is Billy Bungus. Sure, I am giving him a tour.

**BILLY**

Um...hi!

**GASTRONAUT**

Billy Bungus! It would be an honour...hang on!

A BIG CLAW COMES OUT OF THE **BAGEL ROVER** AND SCOOPS THEM UP.

INT. Bagel Rover. *Billy is gazing out of the window of the Bagel rover as they fly over Bungusland. It all has been a lot to take in.*

**GASTRONAUT**

[while eating a sandwich] So...what do you think Billy....? How are you finding things ?

**BILLY**

It has certainly been the strangest day of my life....

**GASTRONAUT**

Look over there [points to a mountain in the distance] That's mashed potato mountain, there's a river of gravy that runs around it and it's always piping hot...even in the dead of winter. [he starts to drool] delicious.....simply delicious. Anyplace else you want to see.....?

IN THE DISTANCE WE SEE A BEACH. **BILLY** POINTS IT OUT;

**BILLY**

There. I think I need a stroll on the beach to clear my head.

**GASTRONAUT**

Sure thing.

THE BAGEL ROVER FLIES ON.

**SCENE 6**

EXT. Bungus beach. *Billy is alone walking along the beach in deep thought, odd creatures look at him as he walks.*

*He comes across a statue of his uncle EDWIN BUNGUS he looks up at it.*

**BILLY**

[to the statue]...oh Uncle Eddy. What should I do....?

SUDDENLY THE STATUE STARTS TALKING;

**EDWIN BUNGUS STATUE**

You should probably do it I reckon...

**BILLY STANDS BACK SHOCKED.**

**BILLY WALKS PAST NOT NOTICING TWO SMALL CREATURES THAT WERE BEHIND THE STATUE.**

**CREATURE 1**

...Really....?

## CREATURE 2

[in Edwin Bungus voice] ...yeah, if you want to be a ballet dancing electrician you live that dream....

*BILLY finds a jetty and walks along it and sits with his legs hanging over the water. He takes a coin out of his pocket.*

## BILLY

...It's such a huge responsibility! Heads I just go home and pretend this never happened....tails I will assume the role left to me by my Uncle Edwin...

*Billy flips the coin but misses it and the coin drops into the water. Camera follows the coin as it sinks into the water and lands next to the **Sea Cucumber Girl**. She looks up.*

*Cut to; Billy looking sadly at the water. Suddenly **Sea Cucumber Girl** pops out. Their eyes meet and a smile creeps across **Billy's** face...it is love at first sight!*

## BILLY

....I can't believe I've met someone like you...

**SEA CUCUMBER GIRL** NUDGES IN THE DIRECTION OF A NEWSPAPER [THE BUNGUS TIMES] THAT IS SITTING DISCARDED ON THE JETTY.

## BILLY

What is that.....? [**BILLY PICKS IT UP AND STARTS TO READ**] ... the Crazy Professor intends to build a factory that will prepare and package Mashed Sea Cucumber Juice.....no!!!!

[holds **Sea Cucumber Girl**] I will make sure nothing bad happens to you.

HE DROPS HER HEAD FIRST IN **EEL BOY'S** MOUTH. HE PULLS HER OUT DUSTING HER OFF, LAUGHING NERVOUSLY

## SCENE 7

INT: OUTSIDE MAYORS OFFICE; *A podium has been set up with a banner reading 'Mayoral Inauguration'. A small crowd is gathered filled with characters looking around nervously as the sun is going down, time is running out...suddenly **Billy** appears carrying **Sea Cucumber Girl** on his shoulder.*

**BILLY**

I have decided to face the responsibility and become the new Mayor of Bungusland!  
*Everyone cheers.*

**EMILY EPIGLOTTIS**

That's great Billy...all you need to do is adorn the Mayoral Livery Chain....

**GWRETCHIN**

(bursting from Emily) ...Yay, go Billy!

*Suddenly the **Crazy Professor** appears with **Bionic Crab** sitting on the shoulder of a gigantic robotic Walrus. The crowd is shocked! He is holding a bullhorn and addressing the crowd:*

**CRAZY PROF.**

Not so fast!...so...the loser decides he wants to become Mayor hey?...well not if I can help it. Meet my latest creation! The Robo-Walrus!

***Billy** runs for cover as **The Robo Walrus** wildly blasts around the crowd, all the characters run away....an ostrich is hit and becomes a giant roast chicken. **Billy** and **SEA CUCUMBER GIRL** peer over the edge of the podium and notice a button which says 'EMERGENCY CRANIAL SELF DESTRUCT'. **BILLY** and **SEA CUCUMBER GIRL** nod at each other, he picks her up and expertly throws her so she hits the button and bounces off causing the **ROBO WALRUS**' head to explode sending the **CRAZY PROFESSOR** flying **Bionic Crab** scuttles over to his master and gingerly picks him up...**Crazy Professor** mumbles;*

**CRAZY PROF.**

Let's get out of here...post haste!

*The pair scuttle off. Everyone cheers...**Billy** steps up to the podium and gingerly places the chain around his neck, instantly it shrinks to fit and he is now officially Mayor of Bungusland...everyone cheers and lift him (and **Sea Cucumber Girl**) up on their shoulders. **BILLY** looks at his watch and realises he has to start work soon:*
