FEATURED SONG

THE BIGGEST BEAN THAT I'VE EVER SEEN

Episode begins with Billy at work washing dishes in Pastrami Wasabi's. Billy is scrubbing dishes while the other cooks are chatting with the

radio playing. An annoying pop song starts playing (think Justin Beiber, a pop star called Jason Bleeper) and Billy says how much he hates this song. Suddenly everyone goes quiet. Slouch approaches him with an angry expression on his face. Tony comes out of his office and he explains that Billy really shouldn't have said that as Slouch is a huge Be-Leeper. To confirm this Slouch rips off his chef's uniform and he is wearing a Jason Bleeper shirt underneath. He goes for Billy and Tony pushes him out the door saying he should take the rest of the day off so Slouch can calm down.

Billy gets back to Bungus tower. He gets in the shower and arrives in Bungusland. All the gang are dancing away to a very similar pop song that is equally annoying by a new Bungus pop star called Justin Beaner who is a singing bean. The guys say that they all have tickets to his show that evening. Billy is pained at the thought but agrees to go along.

We cut to Crazy Profs lab. He is on the phone to Aunt Betty saying he has just completed a new device that might make it able for her to travel to Bungusland he just needs a live test subject. He is about to put a sea cucumber in the device when Justin Beaner comes on the radio and the Bionic crab, who is a big fan, starts dancing and bumps into him making him drop the Sea Cucumber which wriggles away. Crazy Prof curses him and says now he needs another live subject to test his transporting device....then he looks thoughtful and says he knows just who he wants to get rid of.

We cut to the Justin Beaner concert. The gang are all having a blast but Billy doesn't get it, suddenly, during an emotionally charged speech to the crowd, Justin Beaner is nabbed by a big mechanical claw. Everyone looks around in shock. We cut to the Crazy Profs' lab, he has Justin Beaner, Bionic Crab is gushing to be in such close proximity to his idol. He puts him in the machine and pulls the handle, he disappears. Just as Justin Beaner vanishes Billy and the gang burst through the door demanding to know where he has been taken. Crazy Prof admits he doesn't know exactly where he has gone as he only built one end of the transporter....but he should be somewhere in the real world. Cut to a country bumpkin in some unknown kitchen in a shack cooking dinner. He empties a tin of beans into a saucepan and then lets

out a shriek of delight. Cut back to the lab. They all look shocked, Billy says if he is found out then sooner or later everyone will know about Bungusland. Billy and Sea Cucumber girl travel to the real world to search for Justin Beaner.

Billy and Sea Cucumber Girl are looking around in trash cans and calling out for Justin. When they sit down tired from searching Billy notices an advert for Bean Fest, the biggest bean festival in the county. Billy says that they should give it a try.

They hitch a ride with some yokels way out into the country and farm land. They enter Bean Fest, he tells the doorman that Sea Cucumber Girl is his prize pickle that he wants to enter in the vegetable competition. They look around the country festival and suddenly they see a stand advertising 'The World's Biggest Bean'. The bumpkin from earlier is calling people to witness the bean which we see is Justin Beaner on a pedestal looking scared. Billy and Sea Cucumber girl decide they must come up with a plan, Billy says he'll distract the man while Sea Cucumber Girl gets Justin. Billy asks how he found this bean and the yokel breaks into song to tell the tale, he sings '**The Biggest Bean I Have Ever Seen**'. While he is distracted singing Sea Cucumber Girl wriggles in and gets Justin to follow her. As soon as the yokel has finished his song he looks and realises that the bean is missing, he sees Billy running away with it. He jumps in his tractor and chases them. They jump in a pick-up truck and start racing away...the chase is manic and ends with the yokel crashing into the truck and being buried in the trucks cargo of beans. Billy and Sea Cucumber Girl check Justin is okay and say they have got to get him back home.

We cut to Bungusland, a big concert. Justin Beaner is onstage performing and the gang all are in the crowd enjoying the show. Prawn Paul is confused by Billy's new found love of Justin Beaner, he says he enjoys him more since he hired a new sound man. We cut to the control room, Crazy Professor is working the sound desk clearly hating the show. Bionic Crab seems to be loving it.
